Subject: Week of October 1

Hello Soccer Families,

Lost and Found

Wow, there were quite a few items left at the fields after the games on 9/24. A number of sport-type jackets and hoodies were left by the U12 field. Someone found a crucifix pendant by the U05/06 field. There's also at least one nicer-looking water bottle that was found near the west U12 goal. Please take a look while the shed is open during practices this week if you have time.

Also, a gold-colored key was lost somewhere on the soccer fields while the fields were being painted. If you find it, please return it to the front office at CLES or contact me directly. The owner will be very happy to have it returned. Thank for your help.

Weekly reminders for field painting and team parent trip to Lebanon

Please contact Cliff Jones, (541) 619-2473, if you would like to help paint fields on Thursday or Friday some time. Thanks for the folks who helped last week.

Is there a team parent who will already be going to Lebanon on Friday around 5 p.m.? If so, would you mind taking the team parent box to have the old taken out and the new put in? It would be much appreciated and I can arrange a time to meet with you to give you the box.

Thanks for your help with the chocolate fundraiser

Marie Moore (the volunteer who helped in Halsey on Saturday), Simon Claydon (the fundraising coordinator), and I shared many "thank-you's" with everyone who helped with the fundraiser. Your hard work is much appreciated and will help all players enjoy the improved fields at Timber Linn for many years to come. Really couldn't do it without you.

Notes from Central Linn Rec Center board meeting - 9/26

For those who are involved in multiple sports, the highlight of the meeting was that basketball signups are starting this week, around Thursday. Information will be available soon in the *Cobra Tails* and on the City of Brownsville website, under the Rec Center link.

Also, we are still looking for board members who would serve in a general capacity, not as directors of any specific sport. We are looking for fresh ideas to improve communication, fundraising, etc. regarding the

various sport programs available through the Rec Center. Meetings are generally held on the last Monday of each month at 7 p.m., either in Pioneer Park during the months with good weather or in the preschool room at the back of the Rec Center building during the rest of the year.

That's all for this week. I look forward to seeing you on the game fields on Saturday.

Janette Ehlig-Anderson

Central Linn Recreation Soccer Director

AYSO Region #870 Assistant Regional Commissioner, Brownsville/Halsey
